PIT BOSS®

The PIT BOSS® plays just for fun . . . but Merit means business

We looked, listened and learned all about countertop casino games. And when it was perfected we introduced the Pit Boss®, the ultimate countertop video amusement game.

Picture a full color monitor with dazzling graphics housed in a beautiful natural wood swivel base cabinet that compliments any decor. Think about the proven profits it produces while entertaining one or two players. The competition means more excitement and higher earnings.

Players choose from 4 games — Poker, Acey Deucey, Blackjack and the incredible Tumbling Dice Game. Humorous phrases add to the fun. Double up challenge gives players a shot at the Heavy Hitters Club . . . the chance to "see their name in lights." The Pit Boss® can even be customized on sight to advertise the name of the location. The Pit Boss® offers a complete spectrum of play appeal features found in no other countertop game, yet remains competitively priced.

If you mean business, put Pit Boss® to work for you.
